ABOUT THE EXPO

After the successful completion of the 1st and 2nd Hyderabad Education Expos, which received overwhelming response from parents, students, and institutions across Hyderabad, the Education Expo enters its 3rd powerful edition. Due to strong and consistent demand from Deccan & Old City families, this year the Expo is being hosted at the heart of the Old City Saidabad.

This edition is designed to bring quality education access closer to families, enabling informed decisions without long-distance travel.

OUR LEGACY TRUST BUILT OVER TIME

Successfully hosted 2 large-scale Education Expos | Thousands of parents & students guided
Strong institutional participation & conversions | Recognised as a trusted education decision platform
